

Sick pay

This insurance makes sure that you still have an income for 2 years if you aren't able to work at all, due to illness or because you've been in an accident. This also applies if you are a student and aren't able to physically attend lectures and such. You are insured 24 hours a day worldwide, also outside of work!

You're covered if you've worked over 10 shifts via Temper, of which your last shift has been less than 3 months ago. There is a waiting period of 2 weeks. Your earnings via Temper are the basis of this insurance.

What's the insured sum?

Your monthly compensation depends on how much you've earned via Temper in the 3 months before you became unable to work.

Are you a member of the FreeFlex Foundation? Then, during the first year, you'll receive 90% of that amount each month. In the second year, this becomes 70%.

Aren't you a member of the FreeFlex Foundation? Then you'll receive 70% of that amount each month during both years.

The compensation for bereavement and parental leave is a lump-sum of € 500,- , once per year for each instance.
